The God of the Cross

All of us like sheep have gone astray

And You were pleased to crush Him, Putting His soul to grief
F G
So we might see Your glory there...

Chorus

You're the God of the cross
C/E
(And this is Your glory)
C/E F
You're the God of the cross
C/E

The God of the cross

Verse 2
We were all looking for the way
Back from the mess we've made To return to our Father

But we didn't know what You were like
We couldn't see what kind of life You would require

Pre-Chorus
But just in time You caused Your face to shine upon us
And we all saw Your glory there...
