

# WE'VE GOTTA BUILD AN ARK

---

## Call and Response

G C D G  
Before the rain pours down and the rivers flood, you've gotta' build an ark  
G C D G  
Though men may laugh and rulers scoff, you've gotta build an ark  
G C D G  
A haven of grace amidst the storm, you've gotta build an ark  
G C D G  
When the hard times come, don't you despair, you have built an ark

## Chorus

C G D Em  
We've gotta build an ark of mercy, we've gotta build an ark of love  
C G D Em  
Build an ark of righteousness, we've gotta build an ark of trust  
C G D Em  
Shout it from the rooftops, let your friends and family know  
C G D Em  
That the King of glory is coming soon, so we've gotta build that boat  
C G  
We've gotta know our God, we've gotta know His ways  
D Em  
Cause the storm clouds are risen, it's about to rain  
C G  
Abide in the shadow of God Most High  
D Em C G D Em  
Gotta build an ark of Christ crucified
